

**The optical practices providing the service are listed below
(as of 28th April 21)**

**Alternatively search for a practice using
www.primaryeyecare.co.uk/find-a-practice/**

Patients should be advised to telephone a practice of their choice, for triage and an appointment. Consultations will be undertaken by video or telephone in agreement with the patient, followed by a face to face consultation only if necessary.

The service is for patients registered with an Enfield CCG GP Practice
