

Haringeys CCG

Minor Eye Conditions Service

The service is for patients registered with a Haringey CCG GP Practice.

The optical practices providing the service are listed below (as of 22nd April 2020)

Patients should be advised to telephone a practice of their choice, for triage and an appointment.

During Covid-19 initial consultations will be undertaken by video or telephone in agreement with the patient, followed by a face to face consultation only if necessary.
